PUBLIC NOTICE

Dallastown Borough & Dallastown-Yoe Water Authority is committed to continuing to provide the level of service that our residents and businesses expect and deserve.

To maintain our ability to keep offices open in the face of the declared coronavirus (COVID-19) pandemic and in order to minimize staff exposure, we are implementing some public access requests, cancelling all events, and limiting access in some of our public-facing areas of the Borough's and Authorities properties.

Public Access to the Borough Office

- Until further notice, if you can conduct your business with the Borough via phone, US postal service (mail), or email, please do so.
- Public entrances will display signs requesting that you utilize the drop-off bin.
- Activities that require personal attention are being constrained to a single access point and are by appointment only. Please call the Office to schedule.
- We are now able to collect utility payments over the telephone via credit card. At this time we are still not capable of collecting payments online. However, we are in the

process of implementing a system to do so. Once available, we will send out notice/post it on our website.

- Please be advised that all utility bills will be due on their regularly scheduled due date. All penalties and fees will still be incurred. (No waivers will be granted)

Be sure to call the Borough Office or check the Dallastown Borough web page at www.dallastownboro.com

for any updates or changes that may arise.

Thank you for your patience and cooperation in these challenging circumstances.

Terry Meyers
Dallastown Borough Mayor
